

Twelve Spiritual Gems

from Islam

with Imam Jamal Rahman

I was a secret treasure and I longed to be known.

O my servants, who have transgressed
against your own souls!
Despair not the Mercy of God.
God forgives all sins.

**It is God who created
for you...feelings.**

**O my Sustainer!
Open for me my heart.**

*Do what is beautiful
God loves those
who do
what is beautiful.*

*It is better to
blush in this
world than in
the next.*

Truly,
by token of time,
human beings
are in loss.

**TRULY, IN THE
REMEMBRANCE OF GOD
DO HEARTS FIND REST.**

Therein come down the angels and the Spirit.

A pail of water
and a torch of fire.

I want burning, I want burning!

Die before you die.

Weaving teaching stories, sacred poetry, quotes from the Qur'an and Hadith,
we shall journey deeper into sacred verses to glean spiritual insights and practices for everyday use.
